

I am a resident of the state of Indiana that has signed up for our state's no-call list. Since signing up for this list, I have seen a great reduction in unwanted solicitation calls. I have been very impressed at the effectiveness of our law in making my evenings less cluttered with pushy telephone solicitors.

I would like to ask that you not interfere with this law. The no-call list is a great success, and I am a firm believer in the saying "if it isn't broke, don't fix it".

Thank you for your time and consideration in this matter.
